

2017 PRE-TRYOUT CLINICS

October 15, 22, and 29, 2017

PRE-TRYOUT CLINICS

Xceleration Volleyball Club is once again offering a series of fall pre-tryout volleyball clinics that will lead up to club tryout weekend on November 4-5. These clinics will be led by coaches from our current staff and will combine skills drills with light competition. As with our clinics in past seasons, the sessions will be fast-paced, instructional, and structured to benefit all who attend. They are also beneficial in allowing athletes to prepare for tryouts, and for parents to learn more about the club and the specific age-group coaches. Come out and meet your potential coaches and let them see you!

ABOUT US

Xceleration VBC was established in 2005 with the goal of providing training to serious minded volleyball players. We believe in providing the very best training available with our qualified coaches. We provide a well-rounded program that teaches skills, sportsmanship, leadership and a strong work ethic. We set a high standard for our administration, coaching staff, and players. Our programs are designed to develop the ultimate volleyball potential in your child. Whether you are new to volleyball or have years of experience, we are all ready to take you to the next level!

At Xceleration we field teams for girls ages 12-18. Our programs focus on teaching proper fundamentals and running drills that transfer into game-like situations. Our coaches will work hard with ALL athletes to improve their volleyball skills.

This year was a very successful season at Xceleration VBC. Once again, 8 of our 11 teams finished in the Gold, Silver, or Bronze Divisions of the NCVA Power League in their age groups. Our 18 Blue, 17 Blue, and 15 Blue teams earned bids through the NCVA Power League to the 2017 USAV Junior Nationals in Dallas and Minneapolis, and our 16Blue team competed well at the AAU National Championships in Orlando.

Our older players are highly recruited due in part due to our college development program that continues to flourish and has received rave reviews from college coaches across the nation. We have a database of over 400 coaches across the country that we have made direct contact with at tournaments, and with whom we remain in contact with and keep updated on the progress of Xceleration's athletes. We deal directly with these coaches on a constant basis to assist our players during the recruiting process. ***Since our inception, we have sent more than 100 of our players on to play in college in every division from D1 to NAIA, and more than three dozen are currently on college rosters.***

Whether you are serious about your volleyball training or are just trying out the sport to see if you enjoy it, then Xceleration has the programs for you!
