

XCEL BEACH

Xceleration welcomes you to our 2021 Beach Volleyball Program. We hope that you can join us this year for an exciting way to spend your summer on the beach, as well as continue your off-season volleyball conditioning in a fun way.

For our beach volleyball season, no tryouts are required! The summer beach camp sessions will begin on Monday, June 7, and runs for 8 weeks through Wednesday, August 4.

This program will focus on fundamental training and concentrate on individual skills. We will teach every athlete the fundamentals of passing, serving (overhand and introduce jump serving), and hitting.

8:00 AM - 10:00 AM (through age 14)

6:00 PM – 8:00 PM (for high school ages)

No clinics week of July 4 (holiday break)

Registration: Online registration is now open. You must first obtain a Paypal transaction number (as noted above) before completing your online registration. The beach program is open to all players, including non-Xceleration members. Click [here](#) to register.

Attire for practices: Tanks, T-shirt, spandex, shorts or leggings are considered practice attire. Please don't wear bikini tops or bottoms.

Items to consider for practice: Water bottle, snack, hand towel, hat, and sunscreen.

Sunglasses and Sand Socks:

Bring sunglasses and sand socks to every session. Beach volleyball players wear sunglasses and sand socks for a reason. You might not need them every session but bring them to every session. The eye protection is especially important. It's not just a competitive advantage, but it protects your eyes. You don't need expensive sunglasses.

Partners:

Some of you might have already identified a playing partner, others have not. We will help partner you up with a teammate if you don't have a partner. If you did not register with a partner, but you now know who you would like to pair with, please let beach staff know.

Below you will find links to the tournaments for the summer beach program (optional). All sign-ups for tournaments need to be done by the athletes or their parents.
