SPECIAL ANNOUNCEMENT

Rob Browning to direct Xceleration Beach program, consult as technical director of indoor coaches

June 8, 2018 | Martinez, CA – Effective immediately, **Rob Browning**, head women’s indoor and beach volleyball coach at St. Mary’s College in Moraga, CA will join Xceleration Volleyball Club to further strengthen its coaching staff and beach program.

At Xceleration, Browning will guide the staff on the technical aspects of the program by meeting with club management on skill technique and procedures, designing and implementing club-wide practice plans, and developing a series of training and clinics for the program. Browning will also lead Xceleration’s beach program.

“Rob has done an outstanding job at St. Mary’s, leading both the indoor and beach programs that have consistently performed well in the West Coast Conference,” said **Jeremy Swann**. “Our club and coaching staff will learn greatly from Rob and bringing him in will only make our student-athletes even better.”

“Our club has been presented with this wonderful opportunity to fulfill its commitment to the current and future student-athletes of the program, many of whom have aspirations to advance their game to the next level,” said **Jim Ross**. “Rob is someone who will help us do that.”
